Evidence
Although you are not expected to prove the truth of an allegation, the employee submitting a report needs to demonstrate in their hotline report that there are sufficient grounds for concern.

HOW THE REPORT WILL BE HANDLED:
The action taken will depend on the nature of the concern. The Ethics Committee of FEDITC, LLC receives a copy of each report and follow-up reports on actions taken by the company.

Initial Inquiries
Initial inquiries will be made to determine whether an investigation is appropriate, and the form that it should take. Some concerns may be resolved by agreed upon action without the need for an investigation.

Feedback to Reporter
Whether reported directly to FEDITC personnel or through the hotline, the individual submitting a report will be given the opportunity to receive follow-up on their concern:
* Acknowledging that the concern was received;
* Indicating how the matter will be dealt with;
* Giving an estimate of the time that it will take for a final response;
* Telling them whether initial inquiries have been made;
* Telling them whether further investigations will follow, and if not, why not.

Further Information
The amount of contact between the individual submitting a report and the body investigating the concern will depend on the nature of the issue, the clarity of information provided, and whether the employee remains accessible for follow-up. Further information may be sought from the reporter.

Outcome of an Investigation
At the discretion of the company and subject to legal and other constraints the reporter may be entitled to receive information about the outcome of an investigation.
